2011 Review Course for the California Supplemental Exam Oakland/Santa Ana, CA Saturday, August 25, 2012, 8am - 10:30am/6pm - 8:30pm

Bring the California Supplemental Study Manual and course notes. Before the class, please review the Study Manual and work as many problems as you can at the end of the chapters as this will allow you the opportunity to ask questions, but it is not required.

Introduction to the California Supplemental Exam

(exam preparation, strategy and format, exam topics, emphasis and reading list)

California Geology/Geomorphic Provinces/Hydrogeology

(rocks & formations, economic, geologic history, watersheds, aquifers, water quality)

Geologic Hazards

(faults & earthquakes, landslides, other geologic hazards)

Laws, Regulations & Guidelines

Ethics

The courses are held in a barrier free environment which complies with ADA requirements. Parking is available for a fee in Oakland and for free in Santa Ana.

Parking is available at the facilities.
